

TRADITIONAL
FRENCH ROASTER
MAISON FOUNDED IN 1892

DEAR COFFEE LOVER, DEAR CLIENT, DEAR PARTNER,

Founded in Paris in 1892, MAISON RICHARD is, first and foremost, a wonderful family story that was first told by my paternal grandfather, and is still being told today, three generations later. The love of the coffee bean took root in the heart of our family's traditional French-style coffee roasting business, even more because it was my maternal grandfather's trade too. The collector posters, jute bags and coffee mills have been the texture of our world since childhood.

From the ongoing search for grands crus from subtle or secret soils to the creation of new proprietary blends, CAFÉS RICHARD has been making its mark in the art of coffee since the early 50s. The Maison's expertise begins right from the meticulous selection of the beans, which will later reveal their flavors during the delicate alchemy of roasting.

Our expertise was then extended to teas, herbal teas and chocolate in the same spirit of offering quality beverages. Concocting these exclusive blends has literally carried us away on a creative wave.

ENJOY the CAFÉS RICHARD experience...

ANNE RICHARD BELLANGER,
Managing Director of CAFÉS RICHARD

Arnaud, Anne & their father Pierre Richard

At Cafés Richard, we carefully **SELECT BEANS** from the best plantations. Then we blend different crus based on their variety and their terroir before roasting them to ensure a uniform and balanced final product. Our **EXPERIENCE** and "savoir-faire" over many decades have given us a solid position as one of the leading coffee experts in **FRANCE**.
